

The background of the entire page is a light blue gradient. In the center, there is a white rectangular box containing the main title. Below the title, there is another white rectangular box containing the subtitle. At the bottom, there is a third white rectangular box containing the product category. The background image, which is faded and serves as a watermark, shows various medical ECG cables and connectors, including standard three-lead and five-lead connectors, and some specialized multi-pin connectors.
